

## Instructions for Using PYRATEX® LV

Use PYRATEX LV to remove these and other difficult dry-side stains:

**Oil-Based Paints  
Heavy Oil & Grease  
Nail Polish  
Correction Fluid  
Shoe Polish  
Mascara  
Crayon  
Lipstick  
Ink  
Tar  
Lacquer**

PYRATEX LV is safe to most fabrics and colors. If colorfastness is questionable, test garment in a hidden area.

### Pre-Spotting

1. Apply PYRATEX LV to the stained area.
2. Work gently with spatula or tamp with spotting brush until stain is completely loosened or removed. If stain spreads, place a clean towel underneath the stain. Flush with PYRATEX LV until bleeding stops.
3. Dryclean, wetclean or launder as normal. No flushing is required when used with perc, hydrocarbon, wetcleaning or laundry.

*Note: When used in conjunction with GreenEarth® (D5) solvent, PYRATEX LV must be flushed with GreenSPOT™, steam or water prior to drycleaning.*

*When used in conjunction with other solvents, PYRATEX LV must be flushed completely from fabric prior to drycleaning.*

### Post-Spotting

1. Apply PYRATEX LV to the stained area.
2. Work gently with spatula or tamp with spotting brush until stain is completely loosened or removed. If stain spreads, place a clean towel underneath the stain. Flush with PYRATEX LV until bleeding stops.
3. Flush area thoroughly with steam or water utilizing vacuum from spotting board.
4. Dry using air gun.

### For Lipstick or Ink Loads

*Perc and hydrocarbon solvents only*

Add one quart of PYRATEX LV for every 5 gallons of solvent in the wheel and run a batch cycle at low level without filtration.

1. Clean for 20 minutes in perc or 30 minutes in hydrocarbon solvent.
2. Drain and extract to still.
3. Dryclean as normal.

This should remove the vast majority of lipstick or ink stains. The last traces can be manually removed on the spotting board.

### How to Order PYRATEX LV

PYRATEX LV is sold by authorized Street's distributors everywhere. Order PYRATEX LV from your local distributor in single one-gallon containers or in cases of four.

Specially labeled spotting bottles are available from your distributor.

*Before using any chemical product, review the Material Safety Data Sheet (MSDS) for safe handling and proper disposal.*

*For professional drycleaning, wetcleaning and laundry use only.*
